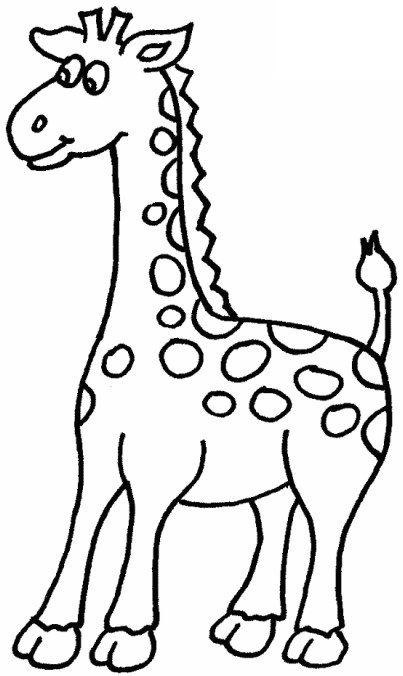
# Maths Target 13

1. I can add 2 2 digit numbers by adding on the tens, then the ones on a 100 square.

2. I can subtract 2 digit numbers by subtracting the tens and then the ones on a 100 square.



3. I can count back in steps of 2 from any number crossing 100, without apparatus.

4. I can count back in steps of 5 from any number crossing 100,

5. I can use the symbols for pounds (£) and pence, including 0 as a placeholder e.g. £3.25, £4.05

6. I can use subtraction facts from 10 to work out subtraction facts from 20 e.g. 10-8=2 so 20-8=12
