

What makes Shinfield Infant & Nursery special?

1. We have an amazing outdoor space with climbing equipment, scooters, a football pitch and a science garden. We love keeping fit!
2. We love planting flowers because it keeps the wildlife safe and they look beautiful.
3. We like Maths because we can do big sums and have fun.
4. We can choose what we do in Golden time, it's a time when we can relax a bit.
5. We love learning and finding out about other subjects.
6. Our school lunches are scrumptious! We get to choose what we want.
7. All the grown ups are lovely, they help us to learn and to have fun!
