The role of the Parent Local Advisor

Shinfield Infant and Nursery School is part of a Multi-Academy Trust (MAT) called The Circle Trust. Like all MATs this Trust is governed by the Board of Trustees. The Trustees are accountable for the operation and performance of the Trust as a whole and ultimately all schools in the Trust.

An essential core value held by The Circle Trust is the belief that schools should be run by, and their improvement driven by, their staff led by their Leadership Team and Local Advisory Board (LAB). As a result, the Trustees delegate much of their powers and functions with regard to the leadership and performance of each school in the Trust to the school's LAB. However, the Trustees have legal accountability for the operation and performance of all schools in the Trust and for any decisions taken under delegated authority. Therefore, all Local Advisors must ensure that they and their school acts at all times in accordance with the:

- Scheme of Delegation (this is a document which makes clear what Local Advisors are responsible for and what they are not),
- The policies and procedures of the Trust,
- With all relevant legislation and regulations.

Since the Trustees take the ultimate legal responsibility and accountability, LABs are relieved of some other governance key functions leaving them the time and capacity to influence the most important elements of their school's improvement. Local Advisors therefore are able to focus on pupils' progress and experience in the school. This may include but is not limited to ethos, vision, core values, spending priorities, curriculum and students' educational performance. The Local Advisors offer strategic advice and direction and as such do not get involved in the day-to-day running of the school.

At Shinfield Infant and Nursery School the Local Advisory Board is made up of at least 8 Advisors, 2 of which are elected Parent Advisors and one a Staff Advisor as well as the Headteacher and other co-opted Advisors. All Advisors' terms of office is for a four year term from the date of their appointment or election.

The main role of the Local Advisory Board is to provide the strategic direction for the school, to hold the Headteacher to account and to ensure that the budget is spent appropriately.

To stand as a Parent Local Advisor there are no specific prerequisite skills – we are looking for candidates from all walks of life and backgrounds that reflect the diversity of our student population. The most valuable attribute in candidates is a passion for this school and a desire to maximise the school's effectiveness. Whilst most of our meetings are in the evenings, we do depend on having some Local Advisors available occasionally during the day.

If you decide to stand for election, we ask you to complete a nomination form (as attached) which can include a short personal statement. It is useful for others to know a bit about you – as a potential Parent Advisor what you do, what stage of schooling your children are at, why you would like to be an Advisor and what experience or skills you have that are relevant to the role.

Newly appointed Advisors are expected to attend induction and safeguarding training. As a school committed to the safety and well-being of young people, we expect Advisors to be DBS (formally Criminal Records Bureau) checked to ensure their suitability for volunteering in a school environment. We also ask all new Advisors to sign up to our Code of Practice and declare any business interests that may affect the school.

The Local Advisory Body (LAB) meets for formal business once a term. Advisors are also expected to serve on a committee which also meets once a term. Meetings are usually held on weekday evenings – mostly starting at 7pm.

Advisors are also asked, where practical, to attend an observation day in school once a year– an opportunity for us to observe the realities of school life!

As an Advisor gains experience, he/she should expect to take on some additional responsibility either in the form of chairing a committee or responsibility for a specific area (examples are Health and Safety, Child Protection).

If you want to know more before deciding whether to stand the Chair of the Local Advisory Board, Mr Chris Young, would be happy to talk to you. Please drop him an email to cyoung@thecircletrust.co.uk with a contact number and Chris or another Advisor will give you a call.
