Tuesday	
Handwriting & Spelling	<p>Handwriting - Joining from an 'o' – watch this clip for more help: https://youtu.be/fE6-5wW-xDE</p> <p>Practice this join in these words: <i>ow, cow, mow, powder, powerful</i></p> <p>Spelling rule - The /3:/ (er) sound is spelt or after w. There are not many of these words. These words demonstrate this rule: <i>word, work, worm, world, worth</i></p> <p>Practise writing these words. Can you think of a sentence with each of these words in?</p>
Writing	<p>Watch this clip for your lesson input: https://youtu.be/6GOzSQR5eGQ</p> <p>Dinosaur poetry, using similes. Write down these sentence starters and think of words to finish them- As heavy as a As long as a As treacherous as a As cute as a As deadly as a</p> <p>Now write 3 sentences using similes to describe any dinosaur, take your pick! There are Dinosaur fact cards* saved in this week's folder to help you.</p> <p>Start your work with A is.... Use 3 simile sentences.</p> <p>Can you think of a sentence to finish your poem off? It could be a question or an exclamation. Remember to use the correct punctuation mark at the end.</p> <p>Read your poem to someone in your family.</p>
Reading	<p>Spend some time reading either to yourself, a sibling, a pet, a cuddly toy or an adult at home.</p> <p>When you have finished have a go at this activity: <i>Find CAPITAL LETTERS. Practise writing lower case and capital letters together. What do you notice? What other words begin with a capital letter?</i></p>
Story time	<p>At some point each day we read a story. Here's a story for you to listen to and read along to today: <u>How to Grow a Dinosaur by Caryl Hart</u> https://www.youtube.com/watch?v=AtP9Ja9xMgQ</p>

Maths

Mrs McDonald/Mrs Lawn's Maths group:

Click on these links for your lesson input. They are in two parts; you need to watch both of them (they're both quite short!).

Part 1 - <https://youtu.be/grnzjMuMV-c>

Part 2 - <https://youtu.be/roOvzdl4C2U>

Multiplication as repeated addition, practical activities. Make these repeated additions at home:

3 lots of 2

5 lots of 2

4 lots of 2

10 lots of 2

8 lots of 2

9 lots of 2

Extra challenge... can you make 4 lots of 3?

Please email us a photo of your work today.

Miss Hulme's group/Mrs Lauchlan/Miss Anderson's Maths group & Mrs Linkens/Mrs Bates Maths group:

We are learning about Multiplication.

Watch this video – **Multiplication sentences using the X symbol**

<https://whiterosemaths.com/homelearning/year-2/week-1-number-multiplication-and-division/>

Then complete the WRM worksheet*.

Extension for Mrs Linkens'/Mrs Bates' Maths Group:–

Have a go at at least one mastery activity* for using the x symbol for multiplication. Look carefully at the questions on the left to really get the most from the activity.

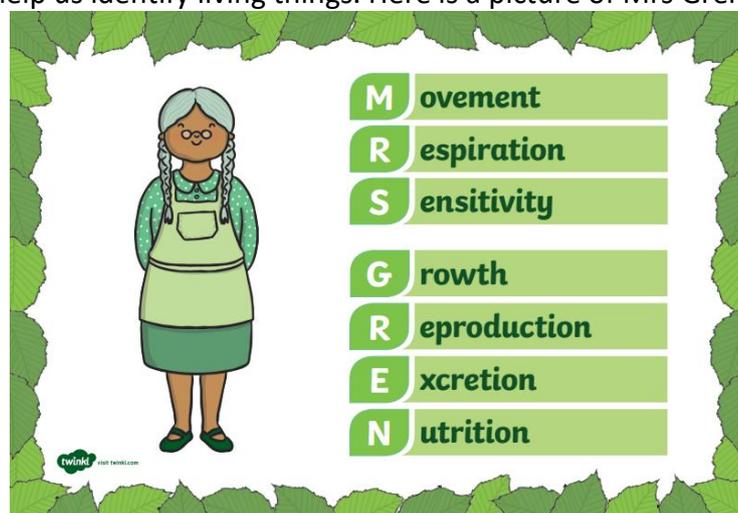

Topic

Science

Click here for an input to today's lesson: <https://youtu.be/5GoPof03lhc>

We are continuing to learn about things that are alive or dead and life processes.

Have a look at the **powerpoint*** about Mrs Gren which tells us about the seven life processes that help us identify living things. Here is a picture of Mrs Gren.

After you have looked at the powerpoint, make your own poster about Mrs Gren. Can you remember all seven life processes?

Physical Activities	<p>It's good to do regular physical activities throughout the day. At school we would be going out for our daily mile, having playtimes and regular 'brain breaks'.</p> <p>If you're not able to get out as much, here are some links to help get you moving at home:</p> <ul style="list-style-type: none">• https://www.bbc.co.uk/teach/super movers/ks1-maths-collection/z6v4scw• https://www.youtube.com/results?search_query=joe+wicks+5+minute+classroom
