

December news

Christmas

We talked about Christmas and what the children enjoy doing at home and at school because on Monday 17th December reporters from BBC Radio Berkshire are going to come in to interview the children!

Their Christmas highlights are- Christmas crafts, watching the Christmas plays, decorating their homes and of course...Father Christmas!

Writing

We found out in October that Writing is one of the least popular subjects in Year 2 so we had a think about what Writing activities we do in our classrooms.

Then we made a diamond 9 to show which our favourite and least favourite writing activities are.

This is what was decided-

Most popular

Role play

Learning about people and historical events

Handwriting

Writing diaries, writing stories, writing sentences

Phonics

Punctuation

Spelling tests

Least popular

We will let the teachers know about this so that they can think about it when planning our lessons.
