Dear Parents and Carers,

Thank you to all who have participated in our survey to find out what you think makes our school a special one. We are really touched and delighted with many of the comments, and you can be sure that we will work on these in developing our curriculum and website over the next few months. We will share the findings with you when these are all collated.

Further to my email to parents on Sunday, the Department for Education have sent an update:

Department for Education Coronavirus helpline

Today, we have launched a new helpline to answer questions about COVID-19 related to education. Staff, parents and young people can contact the helpline as follows:

Phone: 0800 046 8687 Email: DfE.coronavirushelpline@education.gov.uk Opening hours: 8am to 6pm (Mon to Frid)

The school continues to remain open as we have been advised not to close unless advised by Public Health England. Therefore, unless children are ill they should still attend school and Nursery as normal. Please speak to myself or the office team should you have any concerns.

Kind regards, Mrs Turner, Headteacher

Crossing the Hyde End Road

We have been advised by quite a few concerned neighbours and parents of children at this school about some very near misses on the Hyde End Road. We do not want an accident to happen as this could sadly be the serious injury or death of a child, but there are still parents crossing over the Hyde End Road away from the crossing without really noticing the traffic on the road, and not teaching their children basic road safety. Please use the crossing as parents campaigned for this years ago - thanks to their efforts it is there for the safety of all parents and children.
