

Dear Parent,

I am happy to announce that Music Guru will now have more spaces from September for instrumental lessons for Reception, Yr1 and Yr2 on the following instruments: Piano, Singing, Recorder, Guitar/Ukulele and Violin at Shinfield Infants during school hours. We also teach at the Junior School.

**Learning a Musical Instrument.**

Learning an instrument is a lot of fun and offers many opportunities to perform. It is also widely regarded that a good musical education, of which this would be the start, will help with many other aspects of academic learning. It will improve concentration, teamwork, coordination, analysis, creativeness as well as many other skills. With any activity, the more you put in the more you get out. Regular practice is essential. We also teach most of these instruments at the junior school and the local secondary school Oakbank, meaning there will be consistency in learning throughout their school transitions.

**Lessons**

Lessons take place on a rotating timetable so they are not taken out of the same class each week. We offer Individual lessons or small Group lessons (please enquire for cost). More information on Music Guru can be found on our website [www.musicgurulessons.co.uk](http://www.musicgurulessons.co.uk)
