

Foundation 2 Autumn 2 KIRFs Activities

1. Counting objects around the home or when out and about is a brilliant and easy way to practice this term's KIRF. This can be done with anything! Such as Lego pieces, road signs, cars, birds, leaves, rocks. Count objects into piles, count forwards and then see if you can count backwards!
2. Singing number songs is a fun way to practice your numbers! There are lots of counting songs where the numbers are going forwards and backwards, such as '10 Green Bottles'.

Ten green bottles sitting on the wall,
Ten green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be nine green bottles sitting on the wall.

Nine green bottles sitting on the wall,
Nine green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be eight green bottles sitting on the wall.

Eight green bottles sitting on the wall,
Eight green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be seven green bottles sitting on the wall.

Seven green bottles sitting on the wall,
Seven green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be six green bottles sitting on the wall.

Six green bottles sitting on the wall,
Six green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be five green bottles sitting on the wall.

Five green bottles sitting on the wall,
Five green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be four green bottles sitting on the wall.

Four green bottles sitting on the wall,
Four green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be three green bottles sitting on the wall.

Three green bottles sitting on the wall,
Three green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be two green bottles sitting on the wall.

Two green bottles sitting on the wall,
Two green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be one green bottles sitting on the wall.

One green bottles sitting on the wall,
One green bottles sitting on the wall,
And if one green bottle should accidentally fall,
There'll be zero green bottles sitting on the wall.
