# PSHE Intent and Implementation

## Why do we teach PSHE?

Character Education is about development of our children's awareness of themselves as individuals, their role in society as well as their awareness of their own and other physical and emotional wellbeing.

This is primarily taught as part of their personal, social, health and economic lesson, which we feel that this is a vital part of all pupils' education. PSHE is taught to ensure children are developing as well-rounded individual when they leave.

## What is our curriculum aim?

Our PSHE curriculum aims to help pupils understand how to play a positive and successful role within our society, both as a child and as an adult within the future.

We provide pupils with a knowledge of their world, locally, nationally and globally and give them confidence to tackle many of the moral, social and cultural issues that are part of growing up within this. We aim to provide our children with opportunities for them to learn about rights and responsibilities and appreciate what it means to be a member of a diverse society.

## How is PSHE taught at Shinfield Infant School ?

- The teaching of PSHE is delivered using the Jigsaw scheme of work from Reception to Year 2. Each half term is different unit. (Bring me in my world, Celebrating differences, Dreams and goals, Healthy me, Relationships and Changing me) The Changing me unit delivers Sex Education appropriate for each year group.
