Help Hoppy the kangaroo get across the river by skip counting by 10s. The first question has been done for you.

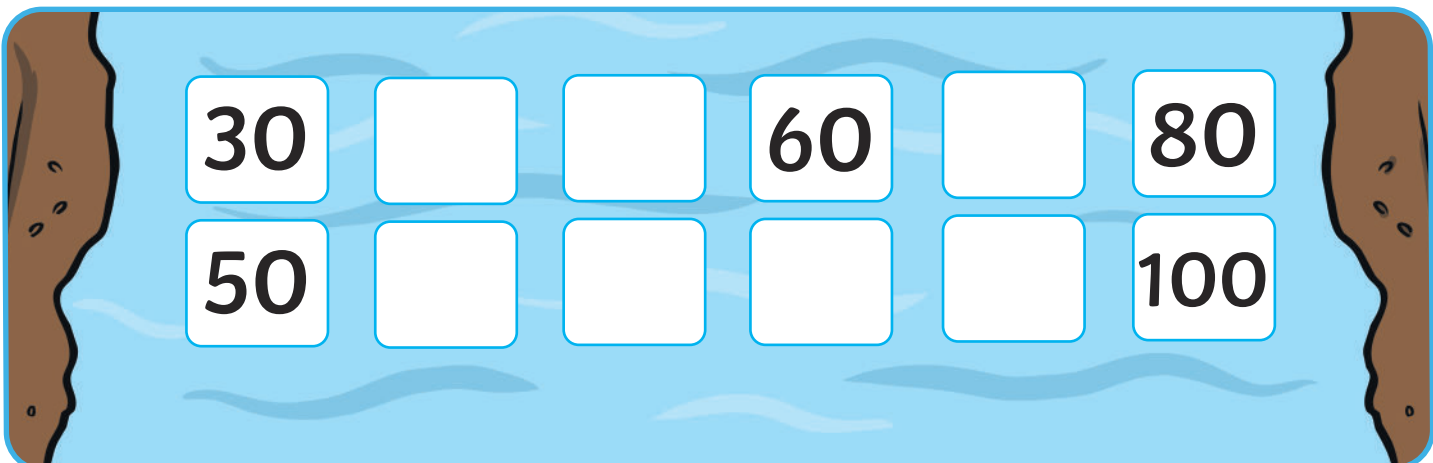

A kangaroo is shown on the left bank of a river, jumping across a series of six grey rocks. Above the rocks are five blue curved arrows, each labeled '+10', indicating the jump distance. Below the river, there are six white boxes containing the numbers 10, 20, 30, 40, 50, and 60. The first box (10) is highlighted with a blue border.

A kangaroo is shown on the left bank of a river, jumping across a series of six grey rocks. Above the rocks are five blue curved arrows, each labeled '+10'. Below the river, there are two rows of six white boxes each. The top row contains the numbers 20, 30, 40, 50, 60, and 70. The bottom row contains the numbers 40, 50, 60, 70, 80, and 90. The numbers 30, 50, 70, 40, 60, and 80 are shown in a lighter grey font, indicating they are to be traced.

Can you try these ones on your own by filling in the missing numbers?

A kangaroo is shown on the left bank of a river, jumping across a series of six grey rocks. Below the river, there are two rows of six white boxes each. The top row contains the numbers 30, an empty box, an empty box, 60, an empty box, and 80. The bottom row contains the numbers 50, an empty box, an empty box, an empty box, an empty box, and 100.
